Navaretti (ed.), <i>The Griffins in Australia and India</i>, Melbourne University Press, 1998, p.432, #3806-01.</p>
<b>Heritage listing:</b>	<p>Register of the National Estate.</p> <p>The Register of the National Estate was established under the Australian Heritage Commission Act 1975. This Act has now been repealed but the RNE has been retained under the Heritage Council Act 2003. The Australian Heritage Council will compile and maintain the RNE.</p> <p>National Trust of Australia (ACT).</p>
<b>Statutory controls:</b>	<p>Statutory controls apply to heritage items or Conservation Areas. They apply to works in the vicinity of a heritage item or adjacent to a Conservation Area.</p> <p>Nominated to ACT Heritage Register. These places are being assessed according to priorities established by the ACT Heritage Council. Any development application that will affect the incinerator will, however, be referred to the ACT Heritage Council who may delay a decision on the development application and undertake an assessment of the heritage values of the incinerator.</p> <p>Anyone can apply for an urgent decision by the Heritage Council of a nominated place to protect it under imminent threat, or to avoid delay in a development project. Once it receives the application, the Heritage Council will endeavour to carry out the urgent decision within 20 working days. Applications must be submitted in the appropriate form, this must include a detailed assessment of the place's heritage significance. The Heritage</p>

	Unit can advise on consultants available and a fee may be charged to recover the Council's costs of the urgent decision.
<b>Consent authority:</b>	Environment ACT (ACT Government).
<b>Previous heritage reports:</b>	Freeman Collett and Partners, 'Westbourne Woods Incinerator Conservation Plan', June 1992.
